## An Agreed Settlement In A High Proportion Of Cases

### *FAMILY SERVICES*

Dootsons have been providing legal services for over 100 years and have built a strong reputation in this sensitive area of law. We adopt a positive and constructive approach to problem solving, aiming to reduce the financial and emotional costs.

There are circumstances where a tough stance is called for and because of our vast experience we are able to adopt the most effective approach to meet your needs. We reach an agreed settlement in a high proportion of cases.

### *OUR SERVICES TO YOU*

We will provide you with clear advice delivered in a down to earth way. We will also give you a costs estimate for the work involved and discuss with you the various options for interim payments. We will keep you advised of progress – without the legal jargon. Our staff are recruited not only for their high level of technical expertise, but also for their communication skills. We value our clients and understand the need to give regular updates, return phone calls and generally be proactive instead of reactive.
