

FAMILY LAW SERVICES

Domestic Violence

Our specialist Family Law Team has substantial experience of dealing with matters involving domestic violence in the home.

Our Solicitors can offer detailed and effective legal advice at what can be a very distressing and emotional time.

We advise on applications for non-molestation orders and occupation orders which are injunctions which prevent an ex-partner from having contact with you and terminating their right to reside in the family home.

We can also provide detailed advice on options and remedies that may be available for various types of harassment and provide advice about other agencies which can also offer assistance such as local support groups and Police assistance.

We can provide legal advice and Court representation if an application for an injunction is necessary.
